## **Run of the Mill**

There was concern about whether Mike Arber was focused on the match when the team arrived at Latchingdon's pitch recently. Mike got out of the car, looked around and said, "so where's the away team then?"

When asked why he had arrived late before the game at Manford Way, John Sullivan said he had locked himself out of his car. Nothing unusual, we've all done it, but John then added that the engine was running & the car moving at the time!

Mark Martin proved he didn't know how to use a washing machine after he was given the kit to wash. It was green but is now red, has shrunk two sizes & came back in the kit bag soaking wet. Mark has now been sent on a kitchen appliance awareness course.

The world health organization has just announced they have discovered the reason for all the world's major food shortages – Stock defender Freddie Tully.
