

<p><b>Stock Cricket Club</b> – The Clerk advised that the Play Area sign was on order.</p>	
<p><b>Whitening of Zebra Crossing</b> – The Chairman asked the Clerk to chase the matter up with Essex County Council as despite an accident the crossing had still not been re-whitened.</p>	<p><b>CLERK</b></p>
<p><b>Benches for Children’s Play Area</b> – The Clerk read out a letter that had been received from David and Sally Lewis urging the Parish Council to re-consider their decision regarding siting two benches on the Play Area of the Common. Mr and Mrs Lewis said that benches have an unfortunate attraction for gangs of youths late at night, who use them as a meeting place for various unsavoury activities (drinking alcohol, takings drugs etc), resulting in the surrounding are being strewn with litter, broken bottles, used hypodermics, condoms etc. As well as the nuisance caused to local residents, the likely consequence will be damage to the Play Area equipment itself. The most recent late night antics in the playground is the spreading of dog faeces (taken from the dog bins) over the play equipment. Mr and Mrs Lewis felt that providing the youths with a comfortable place to sit will not discourage them from their anti-social behaviour. Indeed, it may well encourage them to turn up in larger numbers on their mopeds/bicycles, causing another nuisance problem. Mr and Mrs Lewis enclosed photocopies of correspondence from November 1995 together with a petition from five local residents regarding problems caused when a previous bench was installed in the play area.</p>	<p><b>CLERK</b></p>
<p>It was agreed that the Clerk should write back to Mr and Mrs Lewis advising them that the Parish Council are reconsidering their decision and that they are currently considering the siting of another bench somewhere on the Common. The re-siting will take into account Mr and Mrs Lewis’s comments. It was agreed that the Silver Jubilee bench is going to be replaced.</p>	
<p><b>Overgrown hedges at the T-junction at the end of Mill Road where it meets Downham Road</b> – It was reported that the hedges had still not been cut back. Clerk to contact Essex County Council in this regard.</p>	<p><b>CLERK</b></p>
<p><b>Overgrown Ivy at Harvard East</b> - It was reported that the ivy had been cut back.</p>	
<p><b>Parish Paths Partnership (P3)</b> – Please see item below.</p>	
<p><b>Footpath between Swan Lane and Dakyn Drive</b> – The Chairman and Cllr. Blackburn had had a meeting with Tim Gardiner of Essex County Council PRow. It was agreed that the horizontal bars would be replaced at the Dakyn Drive end and a wooden self-closing gate put at the Swan Lane end. The Parish Council do not need permission to erect a gate, as a ‘wicket gate’ is identified on the OS map. Essex County Council will provide the gate and the upright posts required at no cost to the Parish Council. Cllr. Blackburn had subsequently met with Bob Hale to discuss the work involved and Bob Hale had agreed to provide a quotation. Once the quotation is received it can be forwarded to Tim Gardiner for approval. Once this is received Bob Hale can carry out the work and invoice the Parish Council. The Parish Council can then seek reimbursement from Essex County Council under the P3 scheme. Cllr. Blackburn advised that he had received an E-Mail from Tim Gardiner confirming that Essex County Council will also pay for the posts and horizontals.</p>	
<p><b>Village Policeman</b> –The Clerk read out a letter that had been received from District Commander Craig McGarrigle advising that the new Neighbourhood Teams will commence working from the middle of May. The dedicated Officers will be P.C. Davey and P.C. Thomas. It was agreed that the Clerk should invite the Officers to the May meeting as previous P.C.’s have come and introduced themselves at the Parish Council meetings and the same invitation should be extended to the new Officers.</p>	<p><b>CLERK</b></p>

<p><b>Speed Indicator Device</b> – Clerk to contact Robin Murray at Essex County Council to see if the machine has been repaired yet and if so when it will be coming to Stock.</p>	<p><b>CLERK</b></p>
<p><b>Annual Just Bin It Day</b> – This is to be held on Saturday 22<sup>nd</sup> April 2006 at 10.00am. Cllr. Blackburn advised that he would be tidying up Larches Woods and the surrounding area as he could not attend the actual clean-up day.</p>	
<p><b>Essex County Council Community Initiatives Fund</b> – It was agreed that this item could be removed from the Agenda and put back on in November.</p>	<p><b>CLERK</b></p>

	<p><b>Post outside The Paddocks</b> – The Clerk had written again to Mr Dobinson at Essex County Council regarding the post that had been knocked down. Cllr. Elliott advised that the broken post had been taken away but had not been replaced. Clerk to contact Mr Dobinson in this regard.</p> <p><b>Removal of the Old Tulip Litterbin</b> – It was reported that the bin had still not been removed. Clerk to speak to Bob Hale.</p> <p><b>Dirty Road Signs</b> – It was reported that these had still not been cleaned. Clerk to chase matter up with Essex County Council. Cllr. Grundy advised that he had cleaned the road signs near to his house.</p> <p><b>Signpost at end of Swan Lane</b> – It was agreed that the Clerk should contact Mr Nichols to find out when the sign was going to be erected.</p> <p><b>Request For Provision of a Pavement Extension on Mill Road</b> – Cllr. Phillips stated that it would be difficult, as it will narrow the road too much. The other Councillors had all looked at the site and agreed with Cllr. Phillips. It was therefore agreed that the Clerk should write back to Mr Hesketh advising him that the Parish Council had inspected the area and unfortunately the road is too narrow at that point to consider installing a pavement as in the Parish Council’s view it would only increase the danger.</p> <p><b>Condition of pavement/road surface in Falkner Close</b> – The Clerk had forwarded Mr Jackson’s letter to Essex County Council’s Highways Department. To-date no reply had been received.</p> <p><b>Stumps in Birch Lane</b> – The Clerk had forwarded Mr Hughes’ letter to Mr Murray at Essex County Council. To-date no reply had been received. The Chairman asked the Clerk to contact Mr Murray to see whether he had been on a site visit to Birch Lane as he had not reported back to the Parish Council on his findings.</p> <p>The Chairman asked Cllr. Grundy to arrange a meeting with Essex County Council regarding the minor maintenance matters that were not being done in the village. Clerk to liaise with Cllr. It was agreed that a date in September/October should be booked. Clerk to arrange.</p> <p>b) Ruth Coomber, Beaver Scout Leader, inviting The Chairman or any other Parish Councillor to the Parade on Sunday 23<sup>rd</sup> April, St. George’s Day, when the 1<sup>st</sup> Stock Scout Group will be renewing their promises. The Chairman said that she could not attend. Cllr. Johnson said that she would try to attend. It was agreed that the Clerk should reply sending the Chairman’s apologies.</p> <p>c) Mrs Julie Martyn, Highways Manager, at Essex County Council, regarding Proposed Traffic Schemes. Mrs Martyn asked for the Parish Council to submit for discussion any schemes that they wish to be considered for funding in the 2006/07 financial year. Cllr. Phillips suggested the traffic flow down Back Lane onto the main road be looked at. It was reported that the signs had been changed around some time ago. It was agreed that a fatality was waiting to happen backing out onto the main road. It was therefore agreed that the Clerk should write back and apply to have the traffic priority reversed at the Back Lane junction with the B1007.</p>	<p><b>CLERK</b></p> <p><b>CLERK</b></p> <p><b>CLERK</b></p>

	<p>d) Ben Bradshaw of DEFRA regarding obtaining a copy of 'Getting to Grips with the Clean Neighbourhoods and Environment Act 2005 – a Parish Council guide to Environmental Enforcement'. It was agreed that no further action was needed – Letter to be filed. The Parish Council were very grateful to the Post Office for handing out the doggy bags to parishioners.</p>	<p><b>CLERK</b></p>
<p>1453.</p>	<p><b>PLANNING MATTERS.</b></p> <p><b>Bakers Arms Car Park</b> – Mr Bohannan had advised the Clerk that he had spoken to the landlord, Mr Southgate, last Wednesday. Mr Southgate informed Mr Bohannan that discussions have taken place between himself and a Contractor about the work and he has said that he will submit the necessary details to the Planning Office within the next couple of weeks.</p> <p><b>Redevelopment of Service Station At The Ship Public House, West Hanningfield</b> – Cllr. Phillips had notified all Councillors that he had discovered that there was a planning application for the re-development of the service station at The Ship. Sajid Pervez brought the re-development to his attention, as it seems likely that the re-development may well include a well known major supermarket metro store. If this is the case this could have severe implications for Mr and Mrs Pervez and the village as a whole. It would only need a 15% drop in trade for the village shop to be uneconomical for it to continue. The consequences of this are several-fold. Firstly, were the shop to close, as the Post Office is tied-up with the shop the Post Office would close. Secondly, there would be an increase in the traffic through the village, with a consequent increase in greenhouse gases. Thirdly, the loss of the village shop and Post Office would cause hardship for pensioners and others who do not drive, as they would no longer be able to walk into the village and buy something or do any transactions that are currently done in the Post Office. Village shops are a very important aspect of village life and without them a village will decline. Cllr. Phillips understands from Ivor Thacker of West Hanningfield Parish Council that West Hanningfield is opposing the development. The Chelmsford Borough Council Reference is 06/00635/FUL and the closing date for representations is 5<sup>th</sup> May 2006. Cllr. Phillips had downloaded the application. Cllr. Otter stated that the application is in the name of Total and that they are increasing the area of the supermarket. It was agreed that the Clerk should write to the Planning Department objecting and stating that the Parish Council are concerned that this application could have a serious adverse effect on Stock's village shop and Post Office. The Parish Council are also concerned about the potential increase in traffic on what is a particularly dangerous bend on the B1007. This development would also be urbanisation in the Green Belt. It was agreed that a copy of the Parish Council's objection should go to West Hanningfield Parish Council. Cllr. Blackburn said that it needed to be made general knowledge to parishioners and that it would be a good idea to put a notice on the website and in the village shop.</p> <p>Letter received from Keith Holmes, Development Manager, at Chelmsford Borough advising of the Notification of Appeal by Mr &amp; Mrs J. Kasparian of The Paddocks, Stock Lane – Change of use from barn to dwelling. Application No. 04/02386/FUL. Hearing into the Appeal to be held at 10.00am on the 11<sup>th</sup> May 2006 at the Civic Centre. Clerk to write to Mr Holmes endorsing previous comments regarding the Parish Council's objection to the change of use in the Green Belt and stating that Stock Parish Council supports the maintenance of the Green Belt. Clerk to also request a copy of the report.</p> <p>Letter received from Tracey Sparham, Planning Support Team Leader, at Chelmsford Borough Council regarding Provision of Weekly Lists. Paper copies of the lists of applications received and decided will no longer be sent to Parish Councils. The information will now be available on a weekly basis via Chelmsford Borough Council's website. Cllr. Watling suggested asking for the files to be put on the internet as PDF files. The Clerk advised that at present the system is taking far too long to search for the decisions and then print them off. It was agreed that the Clerk should ask for the applications and decisions to be put back into village order on the website as was the case when paper copies were published. Cllr. Otter mentioned the unreliability of the website. Cllr. Grundy said that the problems are normally quickly rectified.</p>	<p><b>CLERK</b></p> <p><b>CLERK</b></p> <p><b>CLERK</b></p> <p><b>CLERK</b></p>
